

# Tall Polypropylene Cups

## Ideal for Boba Tea

Our heavy-gauge, injection-molded polypropylene Boba cups offer a reliable and versatile solution for beverage service operators seeking a durable and leak-resistant packaging option. Ideal for both hot and cold drinks, these cups are perfect for Boba tea, smoothies, and other beverages. Reusable with a simple wash, they provide an effective solution for takeaway, home delivery, and café applications. They are a practical and high-quality packaging option that consumers can simply rinse and reuse, repeatedly!

### FEATURES

Injection Molded Polypropylene Construction

Flat Rim Design

Distinctive Tall Shape

Variety of Sizes

Custom Print Available

### BENEFITS

Thick, durable, washable and reusable design that helps to mitigate single use plastic legislation

Provides additional surface area compatible with typical lidding film applications for boba and other drinks.

Creates visual excitement by allowing the customer to see colorful drinks, layers and tapioca balls.

Available in common sizes for most foodservice applications

Create brand awareness after the cup leaves the retail environment.

**Minimum Order Quantity:** 150,000 cups / 300 cases

**Print:** Up to 6 spot colors

Item Code	CL90RC-R
Description	90 mm PP Lid - Clear - with removable stopper RED
Inner Packs	50 lids / pack
Lids / Case	500 pcs
Case Dimensions	18.7x11x7.87 in
Case Cube	1.34 ft <sup>3</sup>
Gross Case Weight	7.72 lbs
TiHi	8x6

These guidelines are supplied to assist you in determining the proper use of RPT products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you. Not tested in commercial dishwashers. Top-rack residential dishwasher safe only.
