REUSE

PP

- **Washable:** Use the top rack on consumer-grade dishwashers. Steam and heated drying cycles are not recommended. Not compatible with commercial / industrial dish washing equipment.
- **Microwavable:** Please loosen and displace or remove lid prior to using this product in a microwave.

These guidelines are supplied to assist you in determining the proper use of RPT products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you. Not tested in commercial dishwashers. Top-rack residential dishwasher safe only.
